Clear Talk is in the process of expanding its wireless service in the area associated with these blocks, and needs the additional time to place these blocks in service.

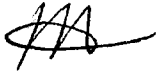

Accordingly, we hereby request that the South Carolina Public Service Commission (the "Commission") grant a formal six (6) month extension in order to secure these blocks from reclamation.

Clear Talk is confident that six (6) additional months would be sufficient to activate the blocks.
No prior extensions have been asked for or granted for these blocks.

Your consideration of this request is appreciated. If you have any questions or require additional information to evaluate this request, please contact me.

Most sincerely,
